CAPABILITY STATEMENT

Founded in 2002, Mentor Source is a distinguished provider of turnkey off-the-shelf eLearning. Our courses help to improve and enhance employee skills in IT security, project management, and business analysis.

Taught By:

- Talented subject matter experts with significant experience as White House Appointees, UN consultants, C-level leaders, government contractors, functional managers, project and program managers, and seminar leaders.
- Skilled practitioners who are also bestselling authors and experienced mentors, instructors and consultants.

NAICS CODES:

611430 - Professional & Management Development Training	541618 - Other Management Consulting Services
611420 - Computer Training	611691 - Exam Preparation and Tutoring
519190 - All Other Information Services	611710 - Educational Support Services

Mentor Source offers a portfolio of course content initially custom designed and delivered to the National Park Service and others as both live events and studio produced courses to thousands of participants. We currently have 32 studio produced courses available as Turnkey content you can add directly to your Learning Management System. Available to purchase through **GSA** - see address above.

Our content includes courses used by government employees and contractors to satisfy Project Management Professional, aka PMP, PDU requirements, as well as FAC-P/PM continuing education points. Our courses include a Cybersecurity Awareness Series many take for Role Based Security Training (RBST) annual compliance training hours.
